

THE FOUNDATION SCHOOLS 2025 BENEFIT

APRIL 24, 2025 • 6-9 PM

Dear Friend,

The Foundation Schools invites you to join us as a sponsor at our 50th Anniversary Benefit on April 24, 2025, held at Martin's Crosswinds Greenbelt, MD. This exciting event will gather children's mental health and special education advocates from our Washington, D.C. metropolitan area as we fundraise for the essential, intensive, and individualized classroom and therapeutic services our vulnerable students depend on.

Since 1975, we have made a difference in the lives of thousands of students with emotional disabilities and other learning challenges. In 2019, we made significant progress in our mission and opened a new school to serve students with autism in response to the growing rate of 1 in every 43 Maryland children being identified with ASD (CDC). Across our schools, services are tailored to each student's needs and help them become healthy, productive members of our community.

Children's mental health has never been more important - 38% of Maryland middle and high schoolers reported feeling sad/hopeless, while 20% seriously considered suicide (Maryland Youth Risk Behavior Survey 2022). As a contributor to this milestone event, you will join the fight for children's mental health and help us transform our students' lives.

Thank you and looking forward to hearing from you,

Andre Gingles
